

If you are on **MEDICARE**, you can receive exceptional patient care at your **HOME**.

Patients who qualify for Home Health Care Services under Medicare are:

- If you are homebound (unable to function outside of the home without considerable effort);
- If you use assistive devices or assistance from others or have existing illness exacerbation;
- If you are under the supervision of the primary care Physician;
- If you need skilled nursing and therapeutic services on an intermittent basis;
- If your medical needs, require reasonable and necessary interventions and skilled services.

MEDICARE pays 100% for Home Health Services

Physician visit and medicine may require copayment

Please ask your primary care Physician for a referral request for Home Health Services.

- Upon referral, our skilled personnel will contact you for home visit appointment.
- Our healthcare team with your Physician will help you manage your healthcare needs.
- Our diverse multi-lingual multi-ethnic Healthcare Team **speak many languages**.
